Got an item or collection you're thinking of selling?

Here's how we can help.

- ✓ Whether a small single item or a large collection, we're interested
- ✓ Preferably model railway-related but other model making and collectables are fine
- ✓ We'll evaluate the items free of charge — and no obligation on your part to accept our offer
- ✓ When you're ready just give us a call to arrange bringing them into the shop
- ✓ We'll need to test working models so may need a few days to arrive at a valuation

Here's how you can help us...

Ideally email us beforehand with the details to: russell@ks-models.co.uk

Details such as:

- ✓ Manufacturer/brand
- ✓ Product number
- ✓ Type/colour/finish/livery

Example:

- ✓ Hornby Dublo 2-rail
- ✓ Product No. 2218
- ✓ 2-6-4 BR black Standard Class 4
- ✓ Running No. 80033

The more information you can give us the better, and thank you for taking the time to read this help sheet. We hope it's proved useful and look forward to seeing you.
