Condition Guide:

1 = As new / excellent / well looked after / very low use

2 = Very good condition / looked-after runner / possibly a professional-quality repaint, modifications, detailing

3 = Heavily modified / subjective repaint, detailing / heavily used but running / poor or non-runners

NB: Any non-runners will be stated as such in their descriptions, and classed as condition 3. All items should be considered unboxed unless stated otherwise in their description.

We also have a good selection of Hornby Dublo track and accessories, including signalling - all in very usable condition. Stock level is ever changing so please contact us for the latest availability and pricing.

This is only the locos!

We have numerous other coaches, wagons, track, accessories and vehicles, in a variety of scales and from a variety of manufacturers.

Contact us for more info or pop in for a good browse

We may just have what you're after
